

Multicare Health and Wellness

This program is available to you because you have been diagnosed with a chronic condition: Medicare two chronic conditions, Commercial insurance/non Medicare one chronic condition.

Multicare Health and Wellness Services include:

- ❖ Monthly contact (or as needed) by a health coach to help you manage your care.
- ❖ Plan of care covering your health care goals
- ❖ Coordination of preventative care services
- ❖ Medication management
- ❖ Management of care transitions between your health care providers
- ❖ Enhanced opportunities for you, and the health coach, to communicate with the practitioner regarding your care.
- ❖ 24 hours a day, 7 days a week, access to health care providers and your personal care plan

Consent to this program allows:

- ❖ Your provider and medical staff to provide Multicare Health and Wellness services to you.
- ❖ Electronic communication of your medical information with other treating providers involved in your care.

Many insurances, including Medicare, will pay for this program as it contains all the services of Chronic Care Management (CCM). This program may involve a nominal fee, but most of the time insurance carriers will cover any copay.

You have the right to revoke this service by contacting your health coach at any time, either verbally or in writing. You will then be removed from the program at the end of the current month of notification.

If you have any questions please call 763-785-4500

Only one practitioner can furnish Chronic Care Management services (CCM) in a 30 day period. By signing this agreement, you consent to _____ (“Provider”), providing care management services to you as described above. My provider has explained this program and I have consented to participate.
